MEMORANDUM FOR: State Department DCP Representative

FROM: CIA DCP Representative

ATTENTION: Mr. Kelly

SUBJECT: Clearance of [redacted] Material Contained in [redacted]

25X1A

25X1A

25X1A

An exhaustive search of [redacted] materials has failed to identify the data contained in subject despatches. We have been informed, however, that [redacted] have been instructed to transmit

[redacted] identification numbers (letter symbol and number) with all information supplied to US foreign service posts. It is suggested that foreign service posts [redacted] be reminded, therefore, that these numbers should always be included with the information they identify to permit expeditious handling of such reports by the economic defense community in Washington. Regarding [redacted] information contained in the subject [redacted] we would be happy to reintroduce your request for clearance if the identification number can be obtained at some future date.
